

SKILLTECH ACADEMY PRESENTS

Smart Money Mastery.

Financial Literacy: Budget, Save, Invest & Build Wealth

One-on-one mentorship that turns earners into confident money managers with real, measurable financial plans.

Kenya-Focused • Globally Relevant • 1:1 Mentorship

SKILLTECH ACADEMY ADMISSIONS • CALL 0797931551

Clarity first. Wealth you can measure.

Hands-on Mentorship

Work one-on-one with a mentor who reviews your budget, sharpens your plan, and keeps you on track weekly.

Practical Money Systems

Build budgeting, saving, debt, and investing systems measured by real net-worth growth.

Kenyan Money, Global Principles

M-Pesa, SACCOs, chamas, money market funds and the NSE, paired with proven global finance principles.

Built for people ready to master their money.

- Young professionals managing first salaries
- Business owners separating business money
- Students building strong money habits early
- Families budgeting and saving together
- Anyone escaping debt and building wealth

Not for you if...

- You want get-rich-quick schemes
- You won't complete practical assignments
- You can't commit weekly time to learn
- You expect results without changing habits

Ten modules. Basics to wealth.

01

Money Mindset & Financial Goals

Uncover money beliefs, set SMART goals, and map your current financial position.

02

Budgeting & Cash-Flow Control

Build a zero-based budget, track every shilling, and plan monthly cash flow.

03

Saving & Emergency Funds

Automate savings, build an emergency fund, and use SACCOs and chamas wisely.

04

Debt & Credit

Escape mobile-loan traps, prioritise repayments, and protect your CRB credit score.

05

Investing Basics

Understand MMFs, T-bills, bonds, and NSE shares, plus risk, return, and compounding.

06

Growing Your Income

Negotiate pay, price your skills, and build side income streams that last.

07

Insurance & Risk Protection

Choose SHA, life, and asset cover that protects your family and your income.

08

Retirement Planning

Use NSSF, pension schemes, and long-term investing to secure your future.

09

Advanced: Wealth & Asset Building

Build a diversified portfolio across real estate, shares, and business assets.

10

Advanced: Business Finance & Tax

Read financial statements, manage business cash flow, and file KRA taxes correctly.

You don't just learn. You apply.

01 Assess — Audit your income, spending, and debts, then set clear goals with your mentor.

02 Plan — Build a working budget, savings plan, and debt-payoff schedule.

03 Act — Open savings and investment accounts and track every shilling.

04 Grow — Review progress, adjust the plan, and scale your investments.

Every assignment is mandatory — completing them is how you graduate.

Choose your pace and depth.

Learn where you work best.

SkillTech Centre

In-person, one-on-one money coaching at our training centre with full resource support.

Live Online

Real-time mentorship via video call with shared budgets and trackers — join from anywhere.

Private Location

Your trainer comes to an approved home or office location of your choice.

Sessions: 2–3 per week, 2 hours each, scheduled around you.

Terms: deposit reserves your seat; balance in agreed instalments via M-Pesa or bank.

Earned by results, not attendance.

- Complete all mandatory assignments
- Pass practical finance assessments
- Present a working budget & savings plan
- Show measurable progress on your goals

Honors: top performers earn Distinction awards, advanced mentorship, and investment club access.

Five steps to your first session.

- 01 Submit your application
- 02 Financial goals consultation call
- 03 Choose your package and mode
- 04 Pay deposit to secure your spot
- 05 Get assigned your personal mentor

Seats are limited.

Apply early — your deposit locks in your mentor and preferred schedule.
